"Ziploc bags are essential. Whenever I have to pack for a trip, I place each day's outfit—from bows to boots—in its own bag, label it, and off we go. It makes dressing Grace a snap!" —Elisabeth Hasselbeck, co-host of *The View*, on traveling with her 2-year-old daughter

Cozy Cottons Celebs are stocking up on classic, 100% cotton Bloom Love clothing. Jennifer Garner's daughter, Violet, 1, wears the adorable knit pants and tank set and halter dress, while Shiloh Jolie-Pitt, 1, has several of the cuddly snap tees (halter dress, \$100; pants, \$16, tank, \$17; tee, \$26; bloomlove.com).

TWO OUTFITS IN ONE Right Bank Babies has designed a line of dresses and rompers to keep up with growth spurts. Each of the reversible frocks, in retro styles like bold '60s prints or preppy pinstripes, looks just as cute when worn as a smock over pants, leggings, or tights. Model Heidi Klum's daughter, Leni, 2, is such a fan that the company named one of the dresses after her (\$46.50; rightbankbabies.com).
